MALAYALAM PROSE AND TRIKKAVU ::VELLA YUTE CARITRAM(Ist Historical Writing in Malayalam,Ist Indegenous record on Haiders attack on Malabar) APPATHATIIRI(IstAutobiography in MALAYALAM)

Unniccirutheeviicaritham the 1st Village history and description of local market was written by its author projecting the poyilam angadi were the heroine of the poem lived.

It is very important to note that these two books were written by VELLA NAMPOOTHIRI and APPATHATIIRI who lived on the southern bank of NILA River.A poetic pure MALAYALAM of Vella seen in the description of HAIDERALI as the Ist PORTRAITin Malayalam.It is a posture of Haider who was standing inside the Trikkavu temple.Thus the location is to be considered as the birth place of Malayalam Prose.Vellaillom was in TAVANUR Village.Atiiri lived near aplace Patinjaarangadi.Near a place in Koottanadu the poyilam Angadi(Market)existed.The 1st Malayalam CAMPU was written in a place called Poyilam .This is the 1st Village history written in Malayalam.Thus all these places must get importance in the history of Malayala Culture.
